Dear Wangenheim Families,

Here at Wangenheim Middle, your child's safety is a top priority. San Diego Unified School Police want to make you aware of a safety concern in our neighborhood.

All residents in the Mira Mesa community are asked to be on the alert. Yesterday, there were two separate incidents involving different males in which each was performing lewd acts in their cars. Both were seen by students walking home from school. The incidents were reported immediately and are being investigated by School Police.

Thankfully, none of our students were approached or spoken to by these individuals. One incident occurred on Black Mountain Rd. around 2:35pm. The individual was reportedly driving a black dodge sedan. The other incident occurred on Dunholme St. around 2:42pm. That individual was reportedly driving a navy blue sedan, possibly a Honda.

School Police have increased their surveillance and will be patrolling the neighborhood. If any students witness lewd or inappropriate acts, please contact San Diego Police and the school.

Wangenheim Middle staff and School Police are working together to keep our children safe. If you have any further questions or concerns, please contact me at 858-578-1400.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Fallon".
